modern style offertory antiphon hymns

For instant offertory antiphon hymns in a modern style, try this idea: Use [these offertory antiphon adaptations \(click this link\) by Aristotle Esguerra](#), which will fit perfectly with one of these 3 modern tunes below:

- A.** [I Know That My Redeemer Lives, by Scott Soper, © 1990 OCP.](#) Use Soper's refrain, which is a very nicely written refrain that is perfect for the Easter Season.

- B.** *Amazing Grace/My Chains Are Gone (use the refrain as is), Words and Music by John Newton, Chris Tomlin and Louie Giglio, © 2006 sixsteps Music | Vamos Publishing | worshiptogether.com songs. Most contemporary Christian ensembles know this refrain, but a simple Google search will reveal both lead sheets and chord sheets.*

- C.** *We walk by Faith, M. Haugen, the tune is called SHANTI, © 1984 GIA. While there is no refrain to this, the tune lends itself to modern piano and guitar accompaniment.*
