

Ant. Here is a vir-gin so wise and so blessed,
Dox. Lord of all heav-en, we sing now your praise;

A-mong the pru-dent ones num-bered as best,
To God the Trin - i - ty, glad songs we raise.

To meet the bride-groom she went forth with light, and
Praise God the Fa - ther, a - dore God the Son, and

met Christ the Lord with her lamp shin-ing bright.
bless God the Spi - rit, The Great Three in One.
