

Introit: From age to age are the thoughts of his heart.
Dox. Lord of all heav-en, we sing now your praise;

Bless-ed the na-tion whose great God thou art.
To God the Trin-i-ty, glad songs we raise.

He plans to res-cue their souls from the grave, and
Praise God the Fa-ther, a-dore God the Son, and

nour-ish his peo-ple, from fa-mine shall save.
bless God the Spi-rit, The Great Three in One.
